Your complete guide to this issue's **BONUS VIDEOS**

This issue comes with 10 full-length bonus videos.

As always, these videos are totally free with absolutely no strings attached. You can stream them on your PC, laptop, Mac, iPhone, iPad, smartphone or tablet. No email, credit card or personal information will be requested. You'll also get a free digital version of the entire issue so you can take **18eighteen** anywhere you go.

Here are the highlights of this issue's bonus scenes.

Maddy isn't very experienced with sex, but that's what her tutor is for.

Ms. Sasha is a sexy MILF who takes pleasure in teaching this teen how to give a blowie with a banana. Then she licks and fingers Maddy's fresh pussy.

Bunnie Hughes has a secret. She has a crush on her dad's friend. Good thing horny old men are good at keeping secrets, because Bunnie's taking off all her clothes and rubbing her pussy right on his desk. Dad would definitely not approve.

Ariana Grand's brother's friend has a case of morning wood. He's hung, so of course she wants to help him out. She blows him and his wood only gets harder. She knows she needs to bring her pussy into the equation if she wants to get him off. Ariana's got big, meaty folds that you can really suck on. Her brother's friend's cock slides right in and she's moaning and rubbing her clit in no time.

Lucie Cline pees by the pool. A nice clear stream shoots out of her pussy,

giving her the relief she needs to stick her fingers in and diddle herself to a good ol' outdoor cum.

Sadie Kennedy is covering for her mom's house cleaning service. But her suave client is thinking about waxing and buffing her pussy and ass! Before long, she's giving him the VIP treatment, sucking his dick and sliding it into her pussy and starfish.

If you like pale, skinny flatties, Ivy Aura is your girl. She tells you about herself in an interview and then shows you how she'd seduce a guy. Ivy playfully removes her clothes, then sucks her toes while rubbing her pussy. Yeah, that'll definitely do it.

Alice March gets hot and heavy with her tutor. He fingers her asshole with two fingers and spreads it open for you to see. Their foreplay evolves into a super hot fuck session with plenty of pussy-pounding and starfish-exploring action.

Sometimes Arianna likes to switch it up. Today, this tight hottie is cumming in the shower with the shower-head blasting water on her pussy.

Vanessa Staylon looks adorable decked out in her school uniform and knee-high socks. And she looks even better naked and masturbating.

Ana Adams' favorite place to be is on top of a cock. Her pussy is smooth, soft and tight, just like the rest of her body, and she knows how to work it. Watch her ride this guy until his nut sauce explodes all over her face and nubile body.

He Caught the Emma Bugg

Dear Virgin Territory,

I am a first-time buyer of your magazine. Your Vol. 26 No. 1 issue caught my attention because of the covergirl Emma. She is absolutely stunning, and her photos in your

magazine did not disappoint. I couldn't get over how tight and petite she is, and her face is so beautiful. Her flat chest is very sexy, and I enjoyed her spread pussy shots. Aside from her good looks, she also exudes a magnetic energy. Emma seems like she's very playful and fun and would keep you on your toes.

Honestly, as a first-time reader of your magazine, I did not know what to expect. But with so many hot girls in the issue, I decided to subscribe. I also liked Veronica and Cecelia very much, and the other girls were cute too. I'm excited to see what the future holds for me when I get the next issue of 18eighteen. Maybe I will see Emma fucking?—G., via email

Dear G.,

Emma Bugg is definitely a cutie. She

didn't do hardcore for us, but you can watch a video of her diddling her clit at 18eighteen.com.

He's Feeling Veronica's Flaps

Dear Virgin Territory,

When I saw Veronica's first page of photos in the Vol. 26 No. 1 issue, I liked her right away. I thought she was a straight up cutie. I love dark hair and light eyes. But then when I turned the page, I really fell in love with her and her extra meaty pussy lips. I know in the teen niche some guys might prefer innie pussies, but I love me some juicy, pliable labia. And Veronica's meat curtain were right there, dangling out of her panties and begging to be sucked. I would love to part her thick folds with my tongue and my cock.

Girls with big pussy flappers tend to have tight holes, and Veronica was no different. I appreciated that close-up photo of her pussyhole so I could see just how tight she is. In fact, her hole is barely visible and it appears to be snug around the one finger she sticks in there. Next I will need to see how that pink butterfly wraps its

wings around a cock and squeezes the nectar out of it. Thank you for featuring Veronica. I can't get enough of her.—J.R., Long Island, New York

Dear J.R.,

You're in luck! Veronica shows off her sex skills on page 88 of this issue.

Hot & Heavy Hazel

Dear Virgin Territory,

Yes! You featured Hazel's hardcore layout in the Vol. 26 No. 1 issue! I had been eagerly awaiting it since I saw her first appearance in the Vol. 25 No. 5 issue. She looked super hot

on the cover of that issue, by the way. Her hardcore pics were just as amazing as I thought they would be. In fact, they were even better. Not only is Hazel fine as hell, but she's also a good model. Not to diss anyone because I love all women, but some of them just aren't as natural in front of the camera. A little stiff, if you will. But not Hazel. She was totally at ease as she sucked that cock and looked directly in the camera with lusty eyes. The photo of her riding

that guy's cock and looking over her shoulder while her butthole is stretched is top notch. She really looked like she was having a good time. If I was that guy, I would have tugged on her pubes while pounding her too. And if I was that guy, I would have come all over her pretty face too. Great job!—M.S., Milltown, New Jersey

Dear M.S.,

We're glad you liked Hazel's hardcore layout. You know, most models only shoot one hardcore scene with us, but Hazel shot two. She's just that horny. Head over to 18eighteen.com to see all her solo and hardcore content.

Pornstar in the Making

Dear Virgin Territory,

I would be genuinely surprised if Athena from your Vol. 26 No. 1 issue does not become a famous pornstar. She has the tits and face for porn. And that means she has the kind of tits and face that would look amazing covered in cum. Every inch of her is mouth-watering, and I would love to see her sprayed down after a proper pounding. She looks like the slutty girl-next-door: mostly whole-

some and cute with a streak of naughtiness that you just can't put your finger on. We got to see her put a big dildo in her pussy. Now we need to see the real thing. I hope if she does become a famous pornstar, she doesn't get any enhancements

and stays the way she is. Athena is perfect in every way.—N.T., Raleigh, North Carolina

Dear N.T.,

You can see Athena's pornstar skills in the movie Teens in Need 2, available on page 99.

Real Life Fuck Doll

Dear Virgin Territory,

I have a bit of a strange confession to make. I have a sex doll. Yes, one of those realistic lifesize ones. I've never had much luck with the ladies, so I

made the investment and it has made me happy. Her name is Doris, but ever since I saw your Vol. 26 No. 1 issue, I have been calling her Cecelia and imagining that she is Cecelia. I feel bad for Doris, but I am so attracted to Cecelia that I just can't help myself. I have even considered buying another doll so that I can call her Doris, but that seems excessive. I guess I am looking for validation that I'm not a total asshole for dumping Doris. To be honest, even the way I make love to Cecelia is more intense and passionate than what I did with Doris. I even bought Cecelia a couple of new outfits. Anyway, I do have some self awareness and realize this is rather unusual. But if you are in

**Cumming into the
Modern Age**

Dear Virgin Territory,

My favorite type of porn model is a girl who looks like she shouldn't be doing porn. One who looks innocent and sweet. So it's no surprise that

Daisy is one of my favorites. This skinny, little cutie looks like she should be riding a bike to the mall with her best friend, not sucking and fucking the way she did in your Vol.

26 No. 1 magazine. I would love to watch the video of this scene, but I'm afraid I'm not very tech savvy. However, I am willing to try if it means getting to see Daisy get pounded. It's about time I joined the modern age. Can you please let me know where I can see her video?—D.W., Bloomington, Indiana

Dear D.W.,

If you have a smartphone or a computer, you can watch her scene on 18eighteen.com. If you need help navigating the website, one of our customer service representatives would be happy to help you. Just call 1-800-421-0760 (or +01-305-662-5959 for anyone who'd like to call worldwide).

MOVIE PREVIEW

**5 HORNY GIRLS
GET WET FOR
MATURE COCK**

**TEEN
BAIT 4**

Both teens and older men are baited in this flick. That's because 18- and 19-year-old girls can't resist a silver fox with experience, and older guys are attracted to fresh, young pussy like bees to honey. Check out how Cecelia gets wet for salt and pepper in her layout starting on page 44. Olivia likes this older gent because not only does he fuck well, but he sucks her toes and licks her asshole.

CECELIA TAYLOR

A close-up photograph of a nude woman with blonde hair. She is looking directly at the camera with a surprised expression, her mouth wide open. Her body is angled slightly to the left. A hand with white-painted fingernails is visible on her right hip.

CHLOE ROSE

TEEN BAIT 4

Chloe doesn't mind a man with crow's feet. In fact, it turns her on. That's why she's hot and horny in this scene. She likes older guys and is happy to suck and fuck this guy till he sprays all over her face. Chloe uses the right ratio of mouth and hand to get him rock hard. The silver fox suckles her clit and then slides his cock in and pumps her slit full of his meat. Chloe asks the silver fox to give her his cum, and that he does.

KAMA OXI

TEEN BAIT 4

Britt is chilling by the pool when her dad's employee creeps in. Britt sounds as sweet as she looks when she tempts this guy into secret poolside sex. He doesn't take much convincing. Soon we're seeing her little ass bounce as she rides him on a lounge chair. Kama's mom's boyfriend catches her using her mom's dildo. "That's not yours," he says admonishingly. Luckily, the much-older guy has something else Kama can play with.

**Em will try
anything once.**

Something tells us cumming on-camera won't be something that lusty Em does just once. The way this curvy brunette massages her big boobs and sluttily spreads and rubs her pussy tells us she likes this too much to stop now. In fact, she'll probably do it more than twice, too.

What made you want to cum on-camera?

"I already masturbate all the time, so why not? I'm also adventurous and like to try new things. This was a fantasy I had for a while, so I just went for it. Now I'm obsessed and want to do all kinds of wild things on-camera."

What else do you want to do on-camera?

"Have sex, of course. But I'm talking about lezzie sex, three-ways, BBC bukkakes... all kinds of stuff. I've heard some girls don't like to watch their scenes, but that's not going to be me. I want to masturbate and fuck to my own scenes. I'm doing porn for me!"

Birthday Sex

As I get older, the days that I look forward to become fewer and further between. I used to look forward to Christmas Day as a kid, but now I dread the whole holiday season. And my birthday used to be something that would build a happy anxiousness in my belly for weeks, but now there's only one thing that excites me about turning another year older. I still look forward to birthday sex. Of course, not everything goes to plan. My girlfriend was supposed to fly home to visit her family the entire week of my birthday. We're both in college so we don't get to see family often. She gave me a blowjob the night before she left, but she had already taken a sleeping pill to rest up for her long flight the next day, so it was lackluster, and I ended up having to jack off in order to finish. She promised me that when she returned, she'd make it up to me. That week was one of the longest of my life. I was all blocked up in my balls, but I didn't have the motivation to masturbate. I wanted my girl to give me an orgasm, you know? I was frustrated and a little pissed that she left before giving me a piece of that ass!

When I picked her up from the airport, I was essentially a ticking time bomb of cum. In the car, I placed my hand on her thigh as she told me all about her trip. Her smooth legs taunted me. I hardly heard a word she said, even though she was going on and on! She must have noticed my distraction because she placed her hand on my thigh, a little too close to my package to be an acci-

dent, and she told me that she bought me a surprise while she was away. I asked if I could see what it was, expecting a mug or a shirt or something, which is what she usually gets me when she goes away. She told me she'd show me once we were back at the dorms.

Later, after we got back to my dorm room, she pulled a purple box with a white bow on it out of her suitcase. I began to untie the bow. I lifted the lid and was immediately greeted by a plastic package covered with images of women in various stages of undress. It was a sex toy! I felt my sexual tension shoot through the roof. I couldn't wait. I picked up the hard plastic wrapping and looked at the other side. Printed right on the front was an image of a woman on all fours, her shaved pussy glistening wet and her asshole stuffed with something. My girlfriend bought a buttplug!

I was floored. My girlfriend has never been into anal sex...that I knew of. In fact, we had only tried it twice in the past and both times

ended in disaster. Let's just say that it didn't go as easily as it seems to go in porn. I hurriedly opened the plastic casing to inspect her purchase, but when I pried apart the clamshell casing, it was empty. I looked to my girl, and she had on the most-mischiefvous smile I've ever seen.

"Where is it?" I asked, like a schoolboy who had his favorite toy stolen from him.

"It's right here," she responded, turning around and wiggling her butt at me.

"You flew with a buttplug in?" I asked, incredulously.

"I wanted to make sure you had plenty of room in there for your special birthday treat," she replied.

She began to strip for me as I wiggled off my pants. Her blouse dropped, then her short skirt unzipped and slipped down her legs. She was wearing a white bra and panties—an innocent look considering what was about to go down. She crawled into bed on all fours like a stalking cat before taking my cock into her mouth. I'll be honest, I felt

like cumming right then, but I think she could tell that I was close because instead of bobbing quickly on my rod, which she normally does, she was sucking me deeply and slowly. My head rocked backward, and I began to moan. Then she swiveled her body, my cock still in her mouth, until her ass was on my face and we were 69ing. I rubbed and massaged her ass cheeks before pulling her panties to the side. There, right in front of my face, was her perfectly smooth cunt, glistening with her lusty juices. And above that was a glimmering gem, the flared end of her new buttplug.

I quickly began to lap up her juices, and I could feel her body shiver with pleasure.

"I've been looking forward to this," she told me.

I knew that I wasn't going to last very long before cumming like an inexperienced highschooler, so I told her that I was ready for my present. She climbed off of me and laid on the bed. I pulled off her underwear and got on top. I rubbed the tip of my dick in a circle on her clit. She began to moan, so I slid my rod down to her waiting pussyhole. I slowly pushed into her, feeling each soft, wet inch oil my cock as it went deeper and deeper. She took my whole dick into her warm snatch, her hips bucking a bit as I bottomed out inside of her. I picked up the rhythm, but not to the point where I needed to cum. Still, I had that burning sensation deep in my nuts. I was not going to last all night.

"I know what you want," my girlfriend whispered. "It's okay. I've been fantasizing about it, too. I've been preparing my ass for you for a week, getting used to having it filled. I want you to fuck my ass now."

I didn't need to be told twice. I withdrew my sword from her cunt as she began to pull her toy out of her bottom. I watched as the flared base gave way to a large diameter stainless steel bulb. She was doing it slowly, and I was amazed as each passing second and each millimeter of length revealed more of the true girth of the toy. By the time the thickest part was showing, the plug must have been twice the girth of my above-normal-sized dong. She pulled the toy out the rest of the way and grabbed her buttcheeks, pulling and spreading

"There, right in front of my face, was her perfectly smooth cunt."

her pre-lubed asshole for me.

As much as I felt like I couldn't wait, I inserted my cock deep into her backdoor inch by inch. It was so tight, she yelped with shock! But after I bottomed out in her starfish, the only sounds coming from her mouth were soft murmurs and moans. I looked down at my dick, deep inside of my girl's asshole. Her cunt was right there, empty and juicing. I rubbed her clit as I pumped away, pummeling her ass. Because of the plug, her ass was as comfortable to screw as her pussy, but the visuals of being balls-deep in my girl's forbidden zone made it so much kinkier. My nuts began to swell and tighten. I was going to jizz.

With a powerful thrust, I pushed deep into my girl; I swear my balls were close to going in, too! My cock throbbed out ounce after ounce of baby batter deep into her tushie, and she wrapped her legs around me, trapping me and pushing me even deeper into her. Soon, I was limp inside her butt, so I withdrew myself from her. Her butthole began to close as soon as I was out of her. I knew that I wasn't done with her perfect ass, so I grabbed the stainless steel plug off the sheets next to us. I pressed it against her ass and began inserting it.

"What are you doing?" she asked me.

"They call it a buttplug for a reason, babe. I'm plugging my cum inside of you," I replied. "It'll make good lube for round number two."

My girlfriend stared at me for a moment, taking stock of whether or not she opened up Pandora's box by allowing me access to her luscious butthole. Hell, I had seen the promised land and I'd be damned if I was going to give up my access.

"You can do whatever you want, love," she told me. "You waited patiently for a week for your surprise. I figure you deserve a weekend of all-access birthday sex."

We ended up fucking twice more that night. We moved from the bedroom into the in-suite shower, where I lathered her body and licked her freshly fucked pussy to an orgasm. While I tongued her clit, I pushed and swirled the buttplug inside her. It didn't take long for her to moan and writhe in ecstasy. She was gripping my hair, grinding my face with her mound. She returned the favor by sucking me until I was hard again. I fucked her right there in the tub, the water bouncing off of our bodies. I gave her a creampie for the ages.

We eventually moved back to the bedroom where we collapsed into a messy pile of orgasmic shakiness. I dumped another load in her asshole before we went to sleep, and it was

incredible for both of us. But, for my money, nothing beat that first round of belated birthday sex.

Good Guys Finish Last

I recently visited The SCORE Group website *PickingUpPussy.com* and it reminded me of one of the craziest things I've ever done. If you'd like to print my story so that your readers can live vicariously through me, I'd be much obliged. I think a lot of guys have either tried to pick girls up in their car or have at least thought about it.

I live in upstate New York where the weather is frequently awful. Winter is particularly wet, cold and miserable. Because of this, I drive a fully loaded 4x4 and am frequently on the snowy roads by myself at night. One cold December evening a few years ago, I found myself in exactly that situation. I had just gotten off of work and had the heat blasting when I saw this girl walking on the sidewalk. For a second I thought she might be a hooker, but even ladies of the night wouldn't have been slogging through a foot of snow wearing a short skirt and tennis shoes. As I was about to pass her, I saw her stick her thumb out and turn her head to look at me. She obviously needed a lift, and I was

Mia: Colombian Cutie

**We bring you worldwide
teen pussy.**

We've often featured girls from the United States, United Kingdom and Europe. We've even had a few Canadians and Russians. But it's rare that we get a South American beauty, which is what Colombian Mia is.

You don't need to speak Spanish to know Mia is horny.

Mia doesn't speak English, but our photographer translated the naughty things she said, like, "I had sex in a movie theatre with people around me. I think they noticed us, and I even swore that a guy was jacking off while watching us."

Language isn't a barrier.

"I once went on a date with an American tourist. It was a little strange because we didn't speak the same language, but he was sexy and we used a translation app to communicate. Talking wasn't that important anyway because we both just wanted to have sex. What I remember the most is that his cum tasted good."

Eva: Jizz Crazy

Path

Gagging on cock turns Eva on.

Eva is always horny, so when this guy shows up with a hard-on, she has his cock in her mouth in seconds. The fact that he's well hung makes her hornier, even as she struggles to swallow him. The more she gags, the wetter she gets.

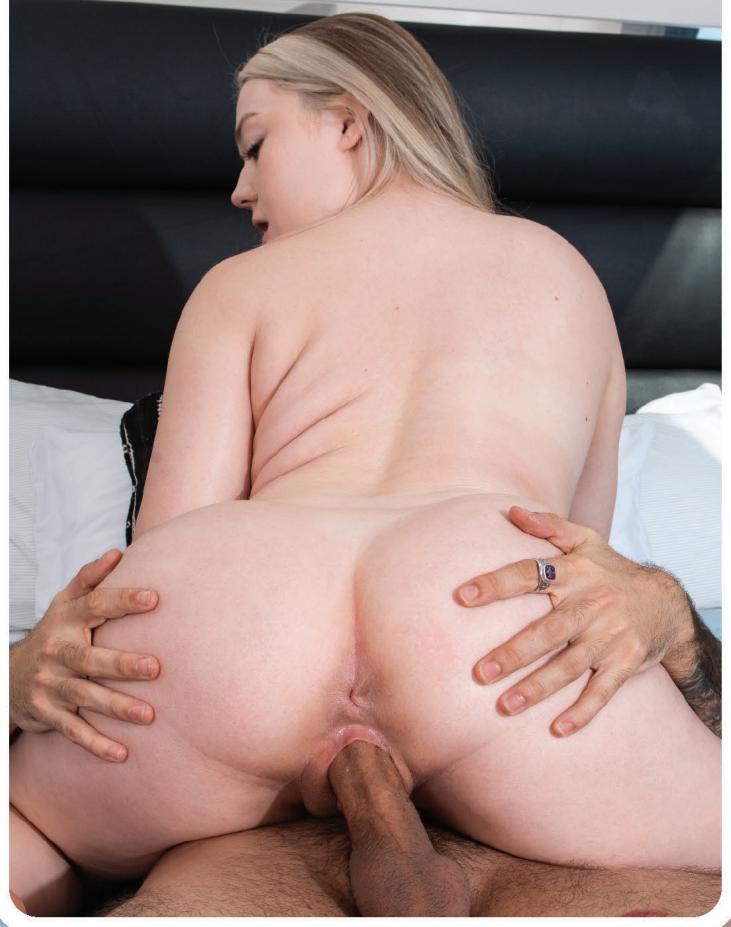

Eva comes prelubed.

Eva starts off the fucking by getting on top in cowgirl. Her ass is big and round and her butt-hole is tight. If she was wet just from sucking him, she's soaking now. She turns around so we can see her perky tits pointing sky high while she bounces up and down on his cock.

**She's got a
grip of steel.**

We know Eva is tight because we can see her pussy lips gripping this guy's shaft as he thrusts in and out. It's like her pussy doesn't want to let his cock go. She loves every minute of this deep fucking and every drop of jizz he sprays on her face. You can watch the video online at 18eighteen.com.

Flatties are hot fucks.

If you didn't know, flatties go the extra mile when it comes to sex. They suck and fuck harder compared to their curvier counterparts. Or at least Cecelia does. What she lacks in tit meat she makes up for with an insatiable appetite for cock meat. No one can outfuck her.

Her pussy is mini but mighty.

It defies logic, but skinny, flat girls can take poundings from big cocks. Cecelia's favorite way to get fucked is deep, hard and fast. "I love it when I can feel a cock reaching the bottom of my pussy, and he's in so deep that his balls are slapping my ass. I cum hard from getting fucked hard."

How was this guy's cock?

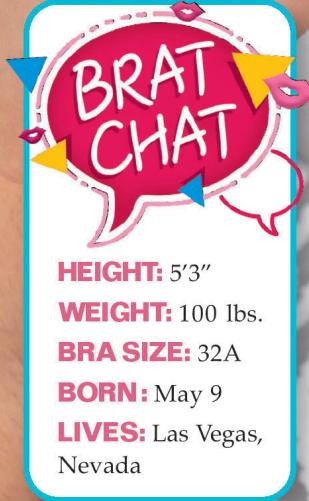

"It was the perfect size. It fit just right in my mouth and pussy. But more importantly, his moves were just right. He pounded me the way I like and then rewarded me with a load on my face." Watch the scene in *Teen Bait 4*, previewed on page 12 and available for order on page 99.

Alexa: Bad Lil' Braceface

Braces don't equal chaste.

Some people think Alexa is innocent because she has braces, but they are mistaken. She likes to steal her older sister's lingerie to seduce men. Here, it's safe to say her seduction plan worked as the guy pulls off her thong to access her twat.

BJ? Braces? No problem!

Here's another fact about Alexa: Just because she has braces doesn't mean they get in the way of blow jobs. She masterfully maneuvers her tongue and lips around his shaft to get him to maximum hardness. Then she rides his stiff pole to the creamy finish line.

The truth will arouse you.

"People always think I'm a good girl because I have braces, but nothing could be further from the truth. I think I shocked this guy when I told him to cum on my face. I didn't think you were that kind of girl,' he said. Well, now he knows the truth. I am that kind of girl...and more." Watch this scene online at 18eighteen.com.

probably the only person on the road who was prepared to drive her somewhere safely. I pulled over and shouted out of the passenger window, "Need a lift?" She shuffled to my truck, sizing me up. She must have thought I was harmless enough because she hopped in and thanked me for the ride.

merged back onto the road. Her mini skirt had ridden up her thighs a bit, and she was wearing a low-cut blouse under her unbuttoned jacket.

"Where are you headed dressed like that in this weather?" I asked.

"My boyfriend just broke up with me and kicked me out," she replied.

She went on to tell me her story. Her guy was always kind of an irresponsible dickhead, but on top of that, he started fooling around on the side. Apparently, it got a lot worse in the past month. I nodded and listened patiently, something I'm not sure she got a lot of hanging around her loser boyfriend.

"Why would that jackass kick such a beautiful girl out on a night like this?" I pondered aloud. She giggled and thanked me. Her hair was long and light brown. I could see a stud

Amber: Dear Diary

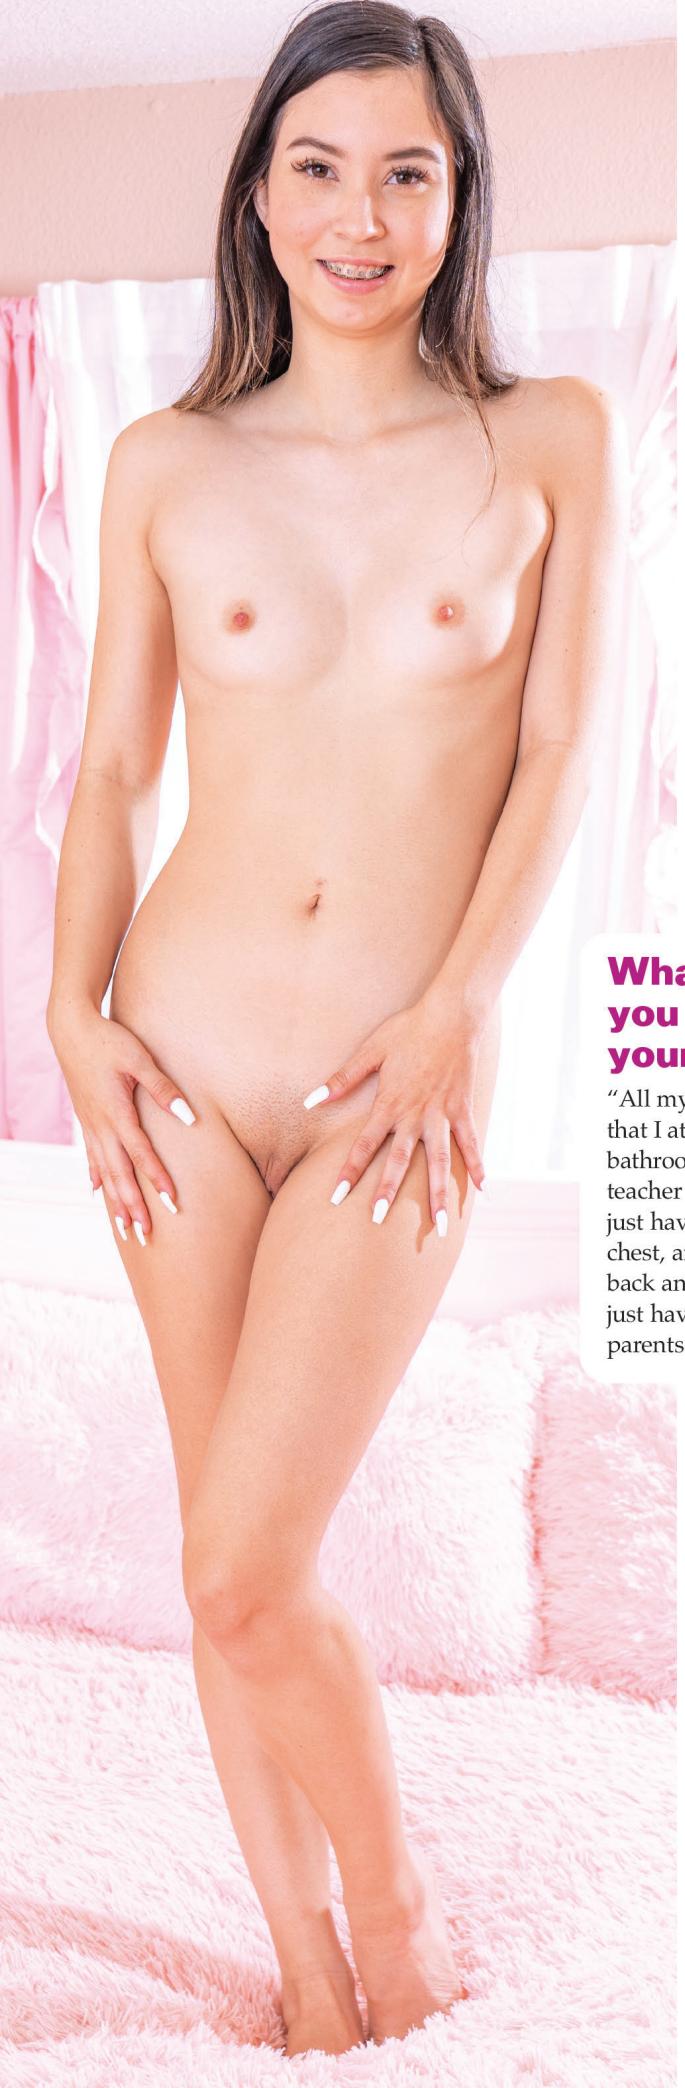

Wanna know what Amber is writing in her diary?

She's scribing her latest obsession: getting her butthole licked! "I was unsure about it at first, but it was love at first lick. It might sound crazy, but I almost like getting my ass eaten more than my pussy."

What else are you writing in your diary?

"All my dirty secrets! Like that I ate a girl out in the bathroom, and I fucked my teacher in the classroom. I just have to get it all off my chest, and I want to come back and read it someday. I just have to make sure my parents never find it!"

Wonder**

Ely has a pretty everything.

Ely is the kind of teen girl that *18eighteen* readers love because she is beautiful from head to toe. Her face is pretty, her rack is juicy, her body is fit and her pussy is tender and tight. She is the epitome of ripeness, like a juicy peach ready to be eaten. And somehow she doesn't even know how sexy she is.

How would you describe yourself?

"I'm shy and don't usually start conversations with people, but I will be polite if they talk to me. I've had some boyfriends but nothing very serious. There are some things I would like to explore, like getting naked for the camera. I've taken pictures of myself before, and I like the idea of being in a magazine."

A full-body photograph of a nude woman lying on her stomach on a bed. She has blonde hair and blue eyes. Her arms are bent behind her head, and she is looking directly at the camera. The background shows a white nightstand with a vase of orange flowers.

Is this unlike you?

"Yes, if anyone knew I was in a magazine like this they would be shocked. I'm even a little shocked by it. But I've been wanting to get out of my shell. When the photographer told me to spread my pussy, I felt such a rush of excitement and like I wanted to do that in front of the next man I have sex with."

Keira: Pleasing Pussy

Keira is a giver.

If you want a vise-tight and soaking-wet slit to wrap around your turgid cock, then Keira is who you're looking for. She feels amazing and she'll do whatever it takes to make you cum. "I like pleasing people. I even licked my best friend's pussy because she was complaining about not getting laid in a while."

Does your generosity extend to men?

"Of course. I live to hear their moans as I suck them off. Although I don't want the sex to end too soon, I like it when a guy has to take a breather when we're fucking because my pussy is bringing him to the edge. Then the look on his face when he finally cums is my favorite thing ever."

glistening on her tongue when she spoke. She looked young and hip, and it made me feel a little old and out of touch. Still, I was feeling adventurous and had a little bit of a good-citizen chubby going on in my pants.

"You know," I ventured, "if you and your boyfriend are broken up, there's nothing stopping you and me from having a good time."

The look on her face as she registered what I said seemed to stay paused for an eternity. Her mouth eventually shifted into a sly smile.

"We certainly could," she said. "But I don't know anything about you. You could be a creep with a small dick for all I know."

Emboldened, I reached down and unzipped my jeans. As I pulled out my cock I said, "Well, my proposition is probably a little creepy, but you can certainly have a good time with this." Her mouth fell open because I was being so forward, but a little bit of her shock must have been due to the sight of my nine-incher.

"That could be fun," she said. "Pull over somewhere private."

I went another quarter mile or so down the road until I found a dark, empty park. While parking, she began to stroke my meat. I reached over and touched her thigh, running my hand higher and higher until my fingers were pressed against her hot mound, hidden underneath her panties. She leaned over and began to kiss and lick the tip of my dick. I felt a big spurt of precum leak out of me, and she tongued it all around my bell end. Her lips felt snug against my cock, and with each passing second, she went lower and lower until she finally had the majority of my manhood deep in her throat. Meanwhile, I had pulled her lacy thong to the side, and I was two fingers deep in this young slut's cunt. I pulled my hand out and began to run it along her shaved slit, eventually finding her clit. I pressed and swirled and she began to moan, which opened up her mouth for even more of my cock. We stayed like that, her sucking me off and me finger-fucking her, for almost ten minutes. When I felt her pussy begin to saturate my truck seat, I knew she was ready to get fucked. I pulled her

head off of my dick and helped her take off her jacket, blouse, and bra. Her B-cup tits were perky, and I took one of her nips into my mouth and began sucking and tonguing it. Her nipple was almost as hard as my dick. She climbed over to me, sat on my lap and slid onto my cock.

Her wet pussy accepted me with ease, but that's not to say that she was loose. In fact, her vise-like cunt squeezed me so hard it practically hurt! She started grinding on me slowly but quickly picked up the pace after a second or two. I raised and lowered my hips to match her motion, and her slit was pouring juice onto my lap. We kissed for the first time. I felt her lips tremble as her vagina pulsed and squeezed. Her moans became screams as she rushed to her orgasm. I kept the same pace but started thrusting harder and deeper until her whole body shuddered and went limp. She hugged me as she caught her breath.

I took a moment with her resting on top of me in a post-orgasmic haze before I transitioned her to her back. I got between her thighs and wrapped her legs around me. As I pushed deep

into her, she gasped. That was the first time I put my entire length inside of her. Her juices made excellent lube, and I was going balls-deep with every thrust. We kissed, and she smiled, looking deep into my eyes with a ravenous look. "Fuck me from behind," she howled. She flipped around and

presented her pristine pussy and asshole to me. She wagged her hips side to side, inviting me to enter her. I kneeled behind her bubble butt and slowly rubbed my cock against her clit. She moaned as I sent electric pleasure waves through her body. I could see her girl cream around her

now well-used fuck hole. I already gave her a mini gaper, but I wanted to give her more of one. I thrust three fingers into her wet pussy, curving my fingers downward toward her G-spot. She purred and her butthole clenched. I knew I could get another orgasm out of her. As I massaged the softness of her G-spot with my three fingers, I lowered my head and began to tongue her supple asshole. She whimpered and I felt her cunt begin to close around my fingers. With a final howl, she began to cum and her pussy juices began to spill into my hand and run down my wrist. As my fingers kept curling on her spot, she practically vibrated as she gushed.

I didn't wait for her to catch her breath this time. I thrust my cock inside of her throbbing pussy. She was still plenty tight, and now her hot girl-cum was coating my cock. I jackhammered her until she was screaming. Watching her beautiful, young body pistonning on my cock sent shivers down my spine. I pulled myself out of her and got back behind the wheel. "Suck me off now," I demanded. She didn't hesitate and hungrily began to devour my pussy-slick dick. She grabbed and tugged at my wet balls, massaging them until they tightened with my impending orgasm. As I blew, she wrapped her lips around my tip and began to gag a bit, but she got all of my jizz in her mouth. She sat up and parted her lips to reveal my seed. She stayed like that for a moment, rubbing her tits and showing off her mouthful of cum. Finally, she swallowed it all and let out a long, satisfied sigh. We were both glad I picked her up that night.

I drove her to her parents' place and said goodnight. We agreed that our night together was perfect, so we didn't exchange any contact information. But later that week I was cleaning out my truck and found her panties wedged behind my bench seat. I lifted them to my face and took a deep whiff. They still smelled like her sweet pussy, and I was instantly transported back to that night. Visions of her bobbing on my cock and swirling my cum around in her mouth made me instantly hard. I jerked off right there in my garage. I like to think that she left those panties for me as a thank you gift for being such a good Samaritan. I was just being neighborly, after all.

Veronica: Lips Ahoy

**No one here
gives a fuck.**

Veronica's dad's friend is shamelessly pitching a tent when he walks in on her. And Veronica is equally shameless when she lets him pull down her shorts and lick her big, meaty pussy lips on the family couch. There's no trace of concern or modesty here.

You don't care that you're fucking your dad's best friend?

"Not really. What he doesn't know won't hurt him. Besides, if this guy was such a good friend to my dad, he could have said no. But I guess that's hard to do when your cock is already in the girl's mouth."

Why did you do it?

"Mostly because I was horny. But also, I overheard him on the phone with a friend saying he likes big pussy lips. And guess what I have! I knew he'd be turned on when he saw my pussy." Watch the scene on 18eighteen.com.
